Foreword

This PAS was sponsored by the Magnesium Oxide Building Board Trade Association (MOBBTA). Its development was facilitated by BSI Standards Limited and it was published under licence from The British Standards Institution. It came into effect on 31 August 2021.

Acknowledgement is given to Nick Corson, as the technical author, and the following organizations that were involved in the development of this PAS as members of the steering group:

- Adrastea Limited
- Bangor University
- British Board of Agrement (BBA)
- Building Research Establishment (BRE)
- Evolusion Innovation Ltd
- Istdama Ltd
- Kiwa Building Products
- Lucideon Limited
- MD Insurance Services Limited
- Magnesium Oxide Building Board Trade Association (MOBBTA)
- National Housing Building Council (NHBC)
- Queen's University Belfast
- Structural Timber Association

Acknowledgement is also given to the members of a wider review panel who were consulted in the development of this PAS.

The British Standards Institution retains ownership and copyright of this PAS. BSI Standards Limited as the publisher of the PAS reserves the right to withdraw or amend this PAS on receipt of authoritative advice that it is appropriate to do so. This PAS will be reviewed at intervals not exceeding two years.

This PAS is not to be regarded as a British Standard. It will be withdrawn upon publication of its content in, or as, a British Standard.

The PAS process enables a specification to be rapidly developed in order to fulfil an immediate need in industry. A PAS can be considered for further development as a British Standard or constitute part of the UK input into the development of a European or International Standard.

Information about this document

Product certification/inspection/testing. Users of this PAS are advised to consider the desirability of third-party certification of product conformity to this PAS.

Users seeking assistance in identifying appropriate conformity assessment bodies or schemes may ask BSI to forward their enquiries to the relevant association.

Copyright is claimed on the cover image. Copyright holders are Euroform Products Ltd, Unit 2, Lyncastle Road, Warrington WA4 4SN.

This publication can be withdrawn, revised, partially superseded, or replaced. Information regarding the status of this publication can be found in the Standards Catalogue on the BSI website at bsigroup.com/standards, or by contacting the Customer Services team.

Where websites and webpages have been cited, they are provided for ease of reference and are correct at the time of publication. The location of a webpage or website, or its contents, cannot be guaranteed.

Use of this document

It has been assumed in the preparation of this PAS that the execution of its provisions will be entrusted to appropriately qualified and experienced people, for whose use it has been produced.

Presentational conventions

The provisions of this PAS are presented in roman (i.e. upright) type. Its requirements are expressed in sentences in which the principal auxiliary verb is "shall".

Commentary, explanation and general informative material is presented in smaller italic type, and does not constitute a normative element.
