

# Wood preservatives — Artificial weathering of treated wood prior to biological testing — UV-radiation and water-spraying procedure

ICS 71.100.50

# National foreword

This Published Document is the official English language version of CEN/TR 15046:2005.

The UK participation in its preparation was entrusted by Technical Committee B/515, Wood preservation, to Subcommittee B/515/2, Durability, treatment, performance and environmental issues, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.
