

Plastics — Recommendation for terminology and characterisation of biopolymers and bioplastics

ICS 01.040.83; 83.080.01

National foreword

This Published Document is the UK implementation of CEN/TR 15932:2010.

The UK participation in its preparation was entrusted to Technical Committee PRI/10, Terminology for rubbers and plastics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.
