Analytical Method for the Analysis of Propiconazole in treated Wood Samples

National foreword

This Published Document is the UK implementation of CEN/TR 16420:2012.

The UK participation in its preparation was entrusted to Technical Committee B/515, Wood preservation.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
