

BSI Standards Publication

Plastics welding supervisor — Task, responsibilities, knowledge, skills and competence

National foreword

This Published Document is the UK implementation of CEN/TR 16862:2023. It supersedes PD CEN/TR 16862:2015, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/3, Welding of thermoplastic moulded components.

A list of organizations represented on this committee can be obtained on request to its committee manager.

European foreword

This document (CEN/TR 16862:2023) has been prepared by Technical Committee CEN/TC 249 "Plastics", the secretariat of which is held by SIS.

Attention is drawn to the possibility that some of the elements of this document may be the subject of patent rights. CEN shall not be held responsible for identifying any or all such patent rights.

This document supersedes CEN/TR 16862:2015.

CEN/TR 16862:2023 includes the following significant technical changes with respect to CEN/TR 16862:2015:

- in clause 3, definition of “informal learning” and “non-formal learning”, clarifications for the definition of “plastics welding supervisor”;
- in clause 5.2 added two points for the welding processes on “practical experience” and on “health, safety, and environmental aspects”

Any feedback and questions on this document should be directed to the users’ national standards body. A complete listing of these bodies can be found on the CEN website.
