

BSI Standards Publication

Plastics piping systems for water supply or drainage and sewerage — Glass-reinforced thermosetting plastics (GRP) based on unsaturated polyester resin (UP) — Recommended practice for installation

National foreword

This Published Document is the UK implementation of CEN/TS 14578:2013. It supersedes DD CEN/TS 14578:2003 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/88/2, Plastics piping for pressure applications.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

CEN/TS 14578

December 2013

ICS 83.140.99; 23.040.20

Supersedes CEN/TS 14578:2003

English Version

**Plastics piping systems for water supply or drainage and
sewerage - Glass-reinforced thermosetting plastics (GRP) based
on unsaturated polyester resin (UP) - Recommended practice for
installation**

Systèmes de canalisations plastiques pour l'adduction
d'eau et l'assainissement - Plastiques thermodurcissables
renforcés de verre (PRV) à base de résine de polyester non
saturé (UP) - Pratique recommandée pour la pose

Kunststoff-Rohrleitungssysteme für die Wasserversorgung
und Ableitung von Abwasser - Glasfaserverstärkte
duroplastische Kunststoffe (GFK) auf der Basis von
ungesättigtem Polyesterharz (UP) - Empfehlungen für die
Verlegung

This Technical Specification (CEN/TS) was approved by CEN on 10 September 2013 for provisional application.

The period of validity of this CEN/TS is limited initially to three years. After two years the members of CEN will be requested to submit their comments, particularly on the question whether the CEN/TS can be converted into a European Standard.

CEN members are required to announce the existence of this CEN/TS in the same way as for an EN and to make the CEN/TS available promptly at national level in an appropriate form. It is permissible to keep conflicting national standards in force (in parallel to the CEN/TS) until the final decision about the possible conversion of the CEN/TS into an EN is reached.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, Former Yugoslav Republic of Macedonia, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and United Kingdom.
