Railway applications — Driver's cab train Display Controller (TDC)

Part 3: Other train systems FIS

National foreword

This Published Document is the UK implementation of CLC/TR 50542-3:2016.

The UK participation in its preparation was entrusted to Technical Committee GEL/9, Railway Electrotechnical Applications.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
