

Adhesives — Adhesives for paper and board, packaging and disposable sanitary products — Description and assessment of the setting process

The European Standard CR 14376:2002 has the status of a
British Standard

ICS 83.180

National foreword

This Published Document is the official English language version of CR 14376:2002.

The UK participation in its preparation was entrusted to Technical Committee PRI/52, Adhesives, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the BSI *Catalogue* under the section entitled “International Standards Correspondence Index”, or by using the “Search” facility of the BSI *Electronic Catalogue* or of British Standards Online.

This publication does not purport to include all the necessary provisions of a contract. Users of this publication are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

This Published Document, having been prepared under the direction of the Materials and Chemicals Sector Policy and Strategy Committee, was published under the authority of the Standards Policy and Strategy Committee on 28 May 2002
