

Imaging materials — Protocols for outdoor weathering experiments

ICS 37.040.99

National foreword

This Published Document reproduces verbatim ISO/TR 18930:2001.
The UK participation in its preparation was entrusted to Technical Committee CPW/42, Photography, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the BSI Standards Catalogue under the section entitled “International Standards Correspondence Index”, or by using the “Find” facility of the BSI Standards Electronic Catalogue.

This Published Document, having been prepared under the direction of the Consumer Products and Services Sector Committee, was published under the authority of the Standards Committee and comes into effect on 15 August 2001

Summary of pages

This document comprises a front cover, an inside front cover, the ISO/TR title page, pages ii to v, a blank page, pages 1 to 7 and a back cover.

Foreword.....	iv
Introduction	v
1 Scope	1
2 References.....	1
3 Terms and definitions	1
4 Specimen preparation	2
4.1 General.....	2
4.2 Size and mounting of specimens.....	2
4.3 Number of specimens	2
4.4 Virgin specimens	3
4.5 Identification of specimens	3
5 Simulation of use conditions.....	3
5.1 General.....	3
5.2 Billboards	3
5.3 Other applications	3
5.4 Laminates and encapsulation	3
5.5 Environmental factors.....	4
5.6 Testing time consideration	4
6 Accelerated weathering versus actual weathering	4
6.1 Outdoor exposure.....	4
6.2 Weatherometers.....	4
7 Data to request from the testing service	4
7.1 Measurements and observations.....	4
7.2 Endpoint	5
7.3 Environmental data.....	5
8 Reporting of data	5
Annex A Locations of outdoor weathering services.....	6
