Positioning of Lineside Telephones

Issue record

Issue	Date	Comments
One	February 2002	Original document
Two	September 2013	Replaces issue one. A number of clauses have been withdrawn because; in accordance with the RGS Code: a) They are not true requirements. b) They are the responsibility of a single duty holder. c) Their effect is duplicated by requirements in other RGSs and are therefore redundant.

Revisions have not been marked by a vertical black line in this issue because the document has been revised throughout

Superseded documents

The following Railway Group Standard is superseded, either in whole or in part as indicated:

Superseded documents	Sections superseded	Date when sections are superseded
GE/RT8048 issue one Positioning and Labelling of Lineside Telephones	All	07 December 2013

GE/RT8048 issue one Positioning and Labelling of Lineside Telephones, ceases to be in force and is withdrawn as of 07 December 2013.
