

Railway Group Standard
GM/RT2162
Issue Three
Date June 2011

Traincrew Access to and Egress from Railway Vehicles

Synopsis

This document mandates requirements for traincrew access to and egress from railway vehicles.

This document contains requirements that are amended under the Railway Group Standards Code (Issue Three) as a small scale change. Reference to the amended requirements is made in the 'Issue record'. All other parts of the document are unchanged from the previous issue.
