| Manufacturer Name                   | DaimlerChrysler Corporation                              |
| Address:                            | 800 Chrysler Drive                                       |
| City:                               | Auburn Hills                                             |
| State                               | MI                                                       |
| Country:                            | USA                                                      |
| Postal Code                         | 48326-2757                                               |
| Engine:                             | 2.4L World Engine                                        |
| Type of Certification:              | Single Engine Certification                              |
| Model Year & Vehicle Application(s) | 2007 Dodge Caliber, 2007 Jeep Compass, 2007 Jeep Patriot |
| Test Standard:                      | J1349:Aug2004                                            |
| Test Location:                      | DaimlerChrysler Tech. Center, Test Cell B2               |
| Engine Serial Number:               | 7A870W603                                                |
| Test/Run Number:                    | W603_153                                                 |
| Test Date:                          | 7/25/2006                                                |

**RESULTS:**

The engine described herein was tested on 7/25/2006 according to the requirements prescribed in J1349:Aug2004, Engine Power Test Code in the presence of a qualified SAE Witness, and was determined to produce the following results:

| Parameter      | Rated Speed | Rated Output | Measured Speed | Measured Output | % Difference |
|----------------|-------------|--------------|----------------|-----------------|--------------|
| Power (hp)     | 6000 rpm    | 172          | 6000 rpm       | 172.5           | 0.29         |
| Torque (lb-ft) | 4400 rpm    | 165          | 4600 rpm       | 164.89          | -0.07        |

|                       |                                                                                                   |
|-----------------------|---------------------------------------------------------------------------------------------------|
| SAE Certified Witness | <br>G. Lamesch |
| Date                  | July 25, 2006                                                                                     |

**APPROVALS:**

DaimlerChrysler Corporation declares that the engine tested for this report is representative of engines in series production. DaimlerChrysler Corporation further declares that the performance of engines in series production will characteristically fall within 2% of the rated torque and power values indicated on this report.
