Mr. Gary Pollak
SAE
400 Commonwealth Drive
Warrendale, PA 15096

Gary,

For the 2019 Model Year (and beyond), General Motors will produce the CT6 Platinum & CT6-V with the RPO "LTA" engine. The LTA engine is brand new offering from previous years specific to the Cadillac CT6 Platinum & CT6-V. The differences between the Platinum and V trims are exhaust backpressure and calibration (lower backpressure and higher output in the V trim). Attached is a copy of the SAE power rating with the appropriate Chief engineer and witness signatures.

Please let me know if you have questions or require anything further in order to process this application for certification.

Thanks,

Brad Sevald

Manufacturer Name	General Motors
Address:	800 N Glenwood Ave
City:	Pontiac
State	MI
Country:	USA
Postal Code	48340
Engine:	4.2L TT LTA
Model Year & Vehicle Application(s).	2019 CT6-V O1SL
Test Standard:	J1349:Sep2011
Test Location:	D106
Engine Serial Number:	N9TAY994AP: 2019-01-11-00005
Test/Run Number:	E_F5_ENG_J1349.172466 E_F5_ENG_J1349.172479 E_F5_ENG_J1349.172482

RESULTS:

The engine described herein was tested on DATE according to the requirements prescribed in J1349:Sep2011, Engine Power Test Code in the presence of a qualified SAE Witness, and was determined to produce the following results:

Parameter	Rated Speed	Rated Output	Measured Speed	Measured* Output	% Difference
Power (hp/kW)	5000	550 hp /410 kW	5000	545 hp /407 kW	-1.00%
Torque (ft-lbs/Nm)	3400	640 ft-lbs / 867 Nm	3400	640 ft-lbs / 867 Nm	0.00%

SAE Certified Witness Romain Limpach
Date February 26, 2019

APPROVALS:

General Motors declares that the engine tested for this report is representative of engines in series production. General Motors further declares that the performance of engines in series production will characteristically be at least 98% of the rated torque and power values indicated on this report.
