General Specification		GS GR HSE 404
Vehicle Specifications and Equipment		
Rev.: 00	Effective Date: 10/2018	Page: 3 of 10

1. Purpose

This General Specification defines the minimum technical requirements applicable to light vehicles, light commercial vehicles, heavy goods transport vehicles, and heavy collective transport vehicles.

It applies to :

- Vehicles used by Total personnel;
- Contractor vehicles (for contracts of more than 6 months):
 - Driving vehicles used in connection with a transportation contract (transport of goods or personnel);
 - Driving light vehicles or light commercial vehicles that are entirely dedicated to the execution of the contract.

This General Specification does not apply to courier type transportation such as a postal service.

2. Reference Documents

The reference documents listed below are an integral part of this General Specification.
