## PRIVATELY-OWNED CONTAINERS, TRANSCONTAINERS AND "T" CONTAINERS

### CONDITIONS OF APPROVAL (1)

In the text of this leaflet, the term "Containers" designates, unless otherwise stated, containers complying with the regulations of Leaflet 590, as well as transcontainers satisfying the regulations of Leaflet 592-1 and large containers for inland transport - "T" containers - complying with the regulations of Leaflet 592-2.

(1) Obligatory regulations are preceded by an asterisk thus : \*

### **1.) Containers accepted in international traffic**

★ Containers are approved in conformity with the General Conditions shown below.

- ★ No charge may be made for the examination of requests for approval.

### **2.) Containers not accepted in international traffic.**

Railways are recommended to introduce into their internal regulations similar clauses to those on which contracts providing for the approval of containers for use in international traffic are based.

## **GENERAL CONDITIONS**

### **I. Approval**

★ The owner who wishes to have containers approved must send to the Railway a request in which the following information must be shown :

- his business title and address;
- the total number of containers to be approved;
- the type or types of containers ;
- the plans and characteristics of the containers (dimensions, tare, normal load, capacity, removable fittings and special apparatus) ;
- the type of goods to be conveyed.
