Document title	Appendix to support the Independent review of the Civil Aviation Authority's Air Display Enhanced Measures
Author	Nick McFarlane, Katherine Mathias
Produced by	Helios 29 Hercules Way Aerospace Boulevard - AeroPark Farnborough Hampshire GU14 6UU UK
Produced for	Civil Aviation Authority
Version	Final
Date of release	19 April 2017
Document reference	P2328D001

Disclaimer: Our work is produced for the above-mentioned client and is not intended to be relied upon by third parties. Helios accepts no liability for the use of this document other than for the purpose for which it was commissioned. The projections contained within this document represent Helios' best estimates. While they are not precise forecasts, they do represent, in our view, a reasonable expectation for the future, based on the most credible information available as of the date of this report. However, the estimates contained within this document rely on numerous assumptions and judgements and are influenced by external circumstances that can change quickly and can affect income. This analysis is based on data supplied by the client/collected by third parties. This has been checked whenever possible; however Helios cannot guarantee the accuracy of such data and does not take responsibility for estimates in so far as they are based on such data.

1 Introduction

1.1 Overview

This document is the Appendix to the 'Independent Review of the Civil Aviation Authority's Air Display Enhanced Measures'.

1.2 Document Structure

The structure of the appendix is as follows:

- Annex A contains a copy of the FDD & Organiser, Pilot, and Public surveys.
- Annex B contains survey results.

1.3 Acknowledgements

We would like to thank all the individuals and organisations who provided valuable input to this review by attending workshops, responding to surveys or otherwise giving feedback.

A Surveys

A.1 FDD & Organiser Survey

Thank you for taking the time to complete this survey. It is designed to collect data pre- and post- the introduction of the enhanced measures. Please answer questions which are applicable to you.

Your response to this questionnaire will remain anonymous.

You may complete one form for each air display if you wish.

Please return it and any additional supporting information to: caapost-implementationreview@askhelios.com

Name of air display: _____

Did your air display take place this year? **YES / NO**

If your air display did not take place this year, please go straight to Section B.

SECTION A

DISPLAY ITEMS

How many display items did you have?	Before enhanced measures were implemented (2015):	After enhanced measures were implemented (2016):
	Number:	Number:
Please state the reason for any changes below, that are relevant to the introduction of the enhanced measures:		

COST

How much did an air display ticket cost?	Before enhanced measures:	After enhanced measures:
	£	£
How much did it cost to organise the event?	Before enhanced measures:	After enhanced measures:
	£	£

Please itemise any additional costs incurred after the enhanced measures when organising the air display. For example, road closures, measures taken to prevent public viewing in unauthorised areas, etc.

	Item	Cost
1		
2		
3		
4		
5		
6		
7		

8		
9		
10		

What was the cost of insurance?	<i>Before enhanced measures:</i> £	<i>After enhanced measures:</i> £ Did your arrangements change? Did you take out any additional insurance?
---------------------------------	---------------------------------------	--

SEPARATION DISTANCES

Did you have to move your display line this year? If so, what was the impact?	YES / NO Impact:
Did you apply for a dispensation / exemption as a result of enhanced separation distances?	YES / NO Comments:

RISK ASSESSMENT

Did you complete a written risk assessment <u>before</u> the enhanced measures were implemented?	YES / NO Comments:
Did you identify additional areas beyond the aerodrome that required risk assessing?	<i>Before enhanced measures: YES / NO</i> Comments:
	<i>After enhanced measures: YES / NO</i> Comments:
Approximately how many people in the general public viewed the air display from outside of the show?	<i>Before enhanced measures:</i>
	<i>After enhanced measures:</i>

PROCESS DOCUMENTATION

Please comment on the display application process:	Is it clear? YES / NO Is additional guidance required? YES / NO Comments:
Please comment on the risk assessment process:	Is it clear? YES / NO Is additional guidance required? YES / NO Comments:
Please comment on the exemption/dispensation process:	Is it clear? YES / NO Is additional guidance required? YES / NO Comments:

PERSONNEL

Please comment on 'STOP' calls	Is this process well defined? YES / NO Is additional guidance required? Comments:
--------------------------------	---

SECTION B

CANCELLATION

If your air display did not take place this year, please explain below if this was related to the introduction of the enhanced measures:

A.2 Pilot Survey

Thank you for taking the time to complete this survey. It is designed to collect data pre- and post- the introduction of the enhanced measures. Please answer questions which are applicable to you.

Your response to this questionnaire will remain anonymous.

You may complete one form for each air display if you wish.

Please return it and any additional supporting information to: caapost-implementationreview@askhelios.com

Name of air display: _____

If your air display did not take place this year, please go straight to Section B.

SECTION A

COST

What was the cost of insurance?	Before enhanced measures:	After enhanced measures:
	£	£
		Did your arrangements change? Did you take out any additional insurance?

SEPARATION DISTANCES

Did you apply for a dispensation / exemption as a result of enhanced separation distances?	YES / NO Comments:
Please comment on the exemption/dispensation process:	Is it clear? YES / NO Is additional guidance required? YES / NO Comments:

PERSONNEL

Please comment on Medical Standards:	Have you been affected by the change in medical requirements? YES / NO Comments:
Please comment on the DA validation process:	Do you think a change to the minimum hours flying requirement in a high-performance aircraft will increase safety? YES / NO Will a change in your DAE evaluator impact your DA revalidation process (after two years) in a negative way? YES / NO Do you think the new DAE evaluation process (i.e. asking pilots to perform a series of unrehearsed linked manoeuvres) enhances safety? YES / NO Comments:
Please comment on 'STOP' calls:	Is this process well defined? YES / NO Is additional guidance required? Comments:

SECTION B

CANCELLATION

If your air display did not take place this year, please explain below if this was related to the introduction of the enhanced measures:

A.3 Public Survey

Thank you for taking the time to complete this questionnaire about your experience at the air display today. Your input is greatly appreciated. Your response to this questionnaire will remain completely anonymous.

Instructions: Please circle **one** answer, where applicable, for each of the questions below.

1. What is the purpose of your visit today?:

Air Display

Other

2. Who have you come with today?

Alone

Family

Friends

Other

3. How far have you travelled today?

<10 miles

10-30 miles

>30 miles

4. How many air displays have you attended this year, prior to this one?

0 - 2

3 - 5

6 +

5. Have you attended this air display before?

YES

NO

6. If you have attended before, have you noticed a difference with this air display compared to the display you attended previously?

If you have not attended this air display before, please move to the next question.

1

2

3

4

5

Significant difference

No change

7. Were you able to see the air display clearly today?

1

2

3

4

5

Poor visibility

Excellent visibility

8. Did the air display meet expectations?

1

2

3

4

5

Significantly below expectation

Significantly above expectation

9. If the air display did not meet your expectations, please select the main reason why from below:

If the display did meet expectations, please move to the next question.

Unable to see the air display clearly

Not enough aircraft

Poor variety of aircraft type

Poor flying display

Too expensive

Other

10. Do you think the air display is value for money?

Please answer if you attend, on average, 2 or more air displays in a year. If not, please move to the next question.

1

2

3

4

5

Poor value

Excellent value

11. How safe did you feel watching the air display?

1

2

3

4

5

Extremely anxious

Very safe

12. Would you attend this air display in the future?

YES

NO
