Chapter 1

Executive summary

Objective of the Proposal

Summary of the proposal's objective

1. Exeter and Devon Airport Ltd (EDAL) identified a requirement to adapt the airspace structure surrounding Exeter Airport. The objective is to assist Air Traffic Control in providing enhanced levels of information to aircraft operating in and out of the Airport, and to aircraft operating in the local area. The Airspace Change Proposal (ACP) was submitted on 15 December 2017.

Summary of the decision made

2. The CAA has decided not to approve the ACP.
