Links for approval data. As of September 2003 EASA took on the role of issuing approval for radio equipment. Existing CAA approval numbers are still current, but approval numbers for newer equipment will be found on the EASA website. (Note: JAA JTSA Authorisations are now included on the EASA website.)

A link to both sites can be found on the CAA website at:

<http://www.caa.co.uk/default.aspx?catid=8&pagetype=70&qid=9&faqid=8>.

If you have difficulty locating the appropriate approval numbers you should contact either the manufacturer, retailer of the equipment or the CAA Aircraft Certification Department on 01293 573134 (Email department.certification@caa.co.uk)

6 DECLARATION

I declare that the information provided in this form is correct.

Name:..... Signature:.....

Article 256 and 265 of the Air Navigation Order 2016 (as amended) provides that It is an offence to make, with the intent to deceive, any false representations for the purpose of procuring the grant, issue, renewal or variation of any certificate, licence, approval permission or other document. Persons doing so render themselves liable, on summary conviction, to a fine not exceeding the statutory maximum and on conviction on indictment to an unlimited fine or imprisonment for a term not exceeding two years or both.
