4. DATA NOTICE

It is important to the CAA that the information you have provided to us is brought to the attention of the person or organisation best placed to consider it, take it into account and address it in the right context. In some cases that organisation will be outside the CAA (for example, sometimes this will be the Department for Transport, an airport or NATS, the UK's En-route air traffic control provider). In such cases the CAA will forward a copy of your information to that third party.
