On I assessed a flying display by (full name)

In (type)..... Category: Horsepower:

(Tick box where applicable)

The assessment is satisfactory and I have renewed the said pilot's Display Authorisation Certificate of Test and Competence in the same aircraft categories and to the same limits as those currently authorised.

I recommend specific authorisation to carry out loops and barrel rolls in civil registered ex-military aircraft.

The assessment is unsatisfactory and the said pilot should be re-evaluated before renewal of his Display Authorisation Certificate of Test and Competence.
