1. Introduction

- 1.1 CAA International (CAAi) is pleased to announce the availability of the EASA Part 21 Subpart J DOA Course.

2. Scope

This 2 day course is suitable for individuals responsible for compliance or certification within a design organisation. It is also suitable for those individuals responsible for the oversight of design organisations, either of subcontractors or from a regulatory perspective.

- 2.1 By the end of the course delegates will demonstrate understanding of the following through presentations and group discussion:
- How their organisation should comply with the regulation
 - Process used by the Civil Aviation Authority (CAA) to carry out continued surveillance to Part 21 Subpart J
 - How to prepare an organisation for an efficient and effective on-site assessment and surveillance
 - How to maintain a Part 21 Subpart J approval ensuring compliance at all times

3. Further Info

- 3.1 This course takes place in the London Gatwick area and has availability on 24-25 September 2014.
- 3.2 For more information on the course please refer to the course description available from www.caainternational.com
