1 Introduction

- 1.1 The UK CAA has developed an Alternative Means of Compliance (AltMOC) to EASA regulations associated with Crew Resource Management (CRM) training for flight, cabin and technical crew. The AltMOC closely reflects the EASA NPA 2014-17 CRM Training and is introduced to allow operators the opportunity to adopt the benefits and align with proposed future changes to CRM Training.
- 1.2 Operators are entitled to use either the UK CAA AltMOC or the present EASA Alternative Means of Compliance/Guidance Material for CRM Training but cannot use selected parts of each. The UK CAA AltMOC EASA 2014 - 00031 is available for download from the CAA website: www.caa.co.uk/EASA.
- 1.3 This information notice replaces the guidance offered within IN 2014/057.

2 Scope

- 2.1 For those Operators wishing to benefit from the UK CAA AltMOC, amendment to the Part D Training manual should be developed and accepted by the assigned Flight Operations Inspector.

3 Further Information

- 3.1 An amended Standards Document 29 will be issued prior to EASA NPA 2014-17 being introduced offering up-to-date guidance for ensuring the requirements of Part-ORO CRM Training are covered.

4 Queries

- 4.1 Any queries or requests for further guidance from AOC and PAOC holders as a result of this communication should be addressed to the assigned Flight Operations Inspector in the first instance.
