1. Introduction

- 1.1 CAA International (CAAi) would like to announce the availability of the Understanding & Preparing for DAOS Surveillance Course.

2. Scope

- 2.1 This 2 day course will be of interest to Military and Industry personnel working within the context of the former Defence Standard 05-123 and current Military Requirements Publications.

The MAA has issued a Notice of Proposed Amendment (NPA) to substantially amend the applicable RA to adopt elements of the EMAR Part 21 standard into DAOS. The final outcome of this Consultation Process has not been announced therefore as a result the course has been updated to the RA revisions currently in force.

- 2.2 By the end of this course participants will be able to:

- Understand the CAA's role in DAOS initial investigation and surveillance.
- Understand the respective roles and responsibilities of the organisations and personnel involved in DAOS compliance.
- Identify gaps against the standards in their own organisations in preparation for the initial assessment and surveillance audits.

Key Topics

- Introduction to DAOS.
- Comparing the Military and Civil processes
- Overview of the Defence Standards
- Integrated DAOS Assessment and Surveillance Checklists
- DAOS initial assessment, surveillance process and surveillance scheduling
