UL Standard for Safety for Junction Boxes for Swimming Pool Luminaires, UL 1241

Seventh Edition, Dated June 11, 2003

Summary of Topics

These revisions are being issued to update the UV conditioning method for the impact test in Section 18.

Text that has been changed in any manner or impacted by UL's electronic publishing system is marked with a vertical line in the margin. Changes in requirements are marked with a vertical line in the margin and are followed by an effective date note indicating the date of publication or the date on which the changed requirement becomes effective.

The new and revised requirements are substantially in accordance with Proposal(s) on this subject dated February 10, 2012.

All rights reserved. No part of this publication may be reproduced, stored in a retrieval system, or transmitted in any form by any means, electronic, mechanical photocopying, recording, or otherwise without prior permission of UL.

UL provides this Standard "as is" without warranty of any kind, either expressed or implied, including but not limited to, the implied warranties of merchantability or fitness for any purpose.

In no event will UL be liable for any special, incidental, consequential, indirect or similar damages, including loss of profits, lost savings, loss of data, or any other damages arising out of the use of or the inability to use this Standard, even if UL or an authorized UL representative has been advised of the possibility of such damage. In no event shall UL's liability for any damage ever exceed the price paid for this Standard, regardless of the form of the claim.

Users of the electronic versions of UL's Standards for Safety agree to defend, indemnify, and hold UL harmless from and against any loss, expense, liability, damage, claim, or judgment (including reasonable attorney's fees) resulting from any error or deviation introduced while purchaser is storing an electronic Standard on the purchaser's computer system.

The requirements in this Standard are now in effect, except for those paragraphs, sections, tables, figures, and/or other elements of the Standard having future effective dates as indicated in the note following the affected item. The prior text for requirements that have been revised and that have a future effective date are located after the Standard, and are preceded by a "SUPERSEDED REQUIREMENTS" notice.

UL 1241

Standard for Junction Boxes for Swimming Pool Luminaires

Prior to the first edition, junction boxes for swimming pool luminaires were investigated using the first edition of the Standard for Underwater Lighting Fixtures and Junction Boxes for Swimming Pools, UL 676.

The First through Sixth Editions of this standard were titled Junction Boxes for Swimming Pool Lighting Fixtures.

First Edition – April, 1976
Second Edition – November, 1978
Third Edition – January, 1985
Fourth Edition – June, 1989
Fifth Edition – June, 1994
Sixth Edition – October, 1998

Seventh Edition

June 11, 2003

This ANSI/UL Standard for Safety consists of the Seventh Edition including revisions through March 30, 2012.

The most recent designation of ANSI/UL 1241 as an American National Standard (ANSI) occurred on March 30, 2012. ANSI approval for a standard does not include the Cover Page, Transmittal Pages, Title Page, or effective date information.

Comments or proposals for revisions on any part of the Standard may be submitted to UL at any time. Proposals should be submitted via a Proposal Request in UL's On-Line Collaborative Standards Development System (CSDS) at <http://csds.ul.com>.

UL's Standards for Safety are copyrighted by UL. Neither a printed nor electronic copy of a Standard should be altered in any way. All of UL's Standards and all copyrights, ownerships, and rights regarding those Standards shall remain the sole and exclusive property of UL.
