

UL 147

STANDARD FOR SAFETY

Hand-Held Torches For Fuel Gases

UL Standard for Safety for Hand-Held Torches For Fuel Gases, UL 147

Seventh Edition, Dated March 5, 2015

SUMMARY OF TOPICS

This revision of ANSI/UL 147 dated April 28, 2021 includes a change to the Temperature Test in [16.3](#).

Text that has been changed in any manner or impacted by UL's electronic publishing system is marked with a vertical line in the margin.

The revised requirements are substantially in accordance with Proposal(s) on this subject dated March 5, 2021.

All rights reserved. No part of this publication may be reproduced, stored in a retrieval system, or transmitted in any form by any means, electronic, mechanical photocopying, recording, or otherwise without prior permission of UL.

UL provides this Standard "as is" without warranty of any kind, either expressed or implied, including but not limited to, the implied warranties of merchantability or fitness for any purpose.

In no event will UL be liable for any special, incidental, consequential, indirect or similar damages, including loss of profits, lost savings, loss of data, or any other damages arising out of the use of or the inability to use this Standard, even if UL or an authorized UL representative has been advised of the possibility of such damage. In no event shall UL's liability for any damage ever exceed the price paid for this Standard, regardless of the form of the claim.

Users of the electronic versions of UL's Standards for Safety agree to defend, indemnify, and hold UL harmless from and against any loss, expense, liability, damage, claim, or judgment (including reasonable attorney's fees) resulting from any error or deviation introduced while purchaser is storing an electronic Standard on the purchaser's computer system.

UL 147

Standard for Hand-Held Torches for Fuel Gases

The first and second editions were titled LP-Gas Torches. The third edition was titled LP- and MPS-Gas Torches.

First Edition – November, 1970
Second Edition – August, 1973
Third Edition – July, 1984
Fourth Edition – October, 1992
Fifth Edition – September, 1996
Sixth Edition – February, 2005

Seventh Edition

March 5, 2015

This ANSI/UL Standard for Safety consists of the Seventh edition including revisions through April 28, 2021.

The most recent designation of ANSI/UL 147 as an American National Standard (ANSI) occurred on April 9, 2021. ANSI approval for a standard does not include the Cover Page, Transmittal Pages, and Title Page.

The Department of Defense (DoD) has adopted UL 147 on September 26, 1988. The publication of revised pages or a new edition of this Standard will not invalidate the DoD adoption.

Comments or proposals for revisions on any part of the Standard may be submitted to UL at any time. Proposals should be submitted via a Proposal Request in UL's On-Line Collaborative Standards Development System (CSDS) at <https://csds.ul.com>.

UL's Standards for Safety are copyrighted by UL. Neither a printed nor electronic copy of a Standard should be altered in any way. All of UL's Standards and all copyrights, ownerships, and rights regarding those Standards shall remain the sole and exclusive property of UL.
