UL 1523

STANDARD FOR

CONTROLLED-DESCENT DEVICES FOR MARINE USE

First Edition — November, 1987

FIRST EDITION

NOVEMBER 4, 1987

Approval as an American National Standard covers the numbered paragraphs on pages dated November 4, 1987. These pages should not be discarded when revised or additional pages are issued if it is desired to retain the approved text.

Approved as ANSI/UL 1523-1990, March 30, 1990

Revisions of this standard will be made by issuing revised or additional pages bearing their date of issue. A UL Standard is current only if it incorporates the most recently adopted revisions, all of which are itemized on the transmittal notice that accompanies the latest published set of revision pages. Information concerning the latest dates of issuance of these pages is available from Underwriters Laboratories Inc. by calling 708-272-8800 (Ext. 2234).

AN INDEPENDENT NOT-FOR-PROFIT ORGANIZATION

TESTING FOR PUBLIC SAFETY

Underwriters Laboratories Inc., founded in 1894, is chartered as a not-for-profit organization without capital stock, under the laws of the State of Delaware, to establish, maintain, and operate laboratories for the examination and testing of devices, systems and materials to determine their relation to hazards to life and property.

A complete description of the organization, purposes, and methods of Underwriters Laboratories Inc. is given in a separate pamphlet entitled "TESTING FOR PUBLIC SAFETY."

The names of companies that have demonstrated an ability to produce products meeting UL requirements are published annually in the following Product Directories.

Automotive, Burglary Protection, and
Mechanical Equipment
Building Materials
Electrical Appliance and Utilization Equipment
Electrical Construction Materials
Fire Protection Equipment

Fire Resistance
Gas and Oil Equipment
Hazardous Location Equipment
Marine Products
Recognized Component
Supplements to Directories

The price list for these publications and ordering information may be obtained upon request from UL, Publication Stock, 333 Pfingsten Road, Northbrook, Illinois 60062.

A Catalog of UL Standards for Safety with costs and ordering information is also available from this office.

**STANDARD FOR
CONTROLLED-DESCENT DEVICES FOR MARINE USE**

UL 1523, FIRST EDITION

Accompanying this transmittal notice is a copy of the first edition of UL 1523.

THIS EDITION OF THE STANDARD IS NOW IN EFFECT.

The requirements in this standard are substantially in accordance with UL's bulletin on this subject dated April 14, 1987. The bulletin is now obsolete and may be discarded.

Revised and/or additional pages may be issued from time to time.

Subscribers to UL's services in the area covered by this standard will receive these revised and/or additional pages automatically. Others may receive such pages by subscribing to UL's subscription service for revisions. See UL's Catalog of Standards for Safety for a description of the revision subscription service, the cost of the service for this standard, and ordering information.

A **PRODUCT INDEX** of UL Standards for Safety is also available. The index provides examples of the more than 3,000 individual products that fall within the scope of the more than 500 generic product categories covered by UL's Services and Standards for Safety. The index also includes an alphabetical listing of keywords of each title of each standard. The price of the index is \$8.00.

To obtain a free copy of UL's Catalog or to order the Product Index contact any of UL's Offices. Telephone orders for UL's publications may be charged to your Visa or MasterCard account.
