1. Corrections to the Seventh Edition of UL 294

RATIONALE

Proposal submitted by: Lou Chavez, UL LLC

The following proposed changes are editorial corrections that resulted from multiple updates and accidental omissions during ballot and recirculation of the seventh edition of UL 294. After review of the newly published seventh edition, the errors and omissions were identified and are now being proposed for inclusion into the standard. Please reference previous CSDS work areas dated August 4, 2017, and November 23, 2017 for additional information.

PROPOSAL

To view a copy of the proposed corrections, please access the UL 294 CSDS work area dated August 3, 2018. Once logged in to that work area, click on the magnifying glass next to "Supporting Documentation". This will open a window where you will be able to access the current Seventh Edition of UL 294 with the highlighted corrections.
