## UL Standard for Safety for Fluorescent Lamp Starters, UL 542

Ninth Edition, Dated July 11, 2005

**Summary of Topics:**

***This revision to the Standard for Safety for Fluorescent Lamp Starters, UL 542, is being issued to reflect the latest reaffirmation of ANSI approval. No changes have been made to the requirements within this standard.***

All rights reserved. No part of this publication may be reproduced, stored in a retrieval system, or transmitted in any form by any means, electronic, mechanical photocopying, recording, or otherwise without prior permission of UL.

UL provides this Standard "as is" without warranty of any kind, either expressed or implied, including but not limited to, the implied warranties of merchantability or fitness for any purpose.

In no event will UL be liable for any special, incidental, consequential, indirect or similar damages, including loss of profits, lost savings, loss of data, or any other damages arising out of the use of or the inability to use this Standard, even if UL or an authorized UL representative has been advised of the possibility of such damage. In no event shall UL's liability for any damage ever exceed the price paid for this Standard, regardless of the form of the claim.

Users of the electronic versions of UL's Standards for Safety agree to defend, indemnify, and hold UL harmless from and against any loss, expense, liability, damage, claim, or judgment (including reasonable attorney's fees) resulting from any error or deviation introduced while purchaser is storing an electronic Standard on the purchaser's computer system.

The requirements in this Standard are now in effect, except for those paragraphs, sections, tables, figures, and/or other elements of the Standard having future effective dates as indicated in the note following the affected item. The prior text for requirements that have been revised and that have a future effective date are located after the Standard, and are preceded by a "SUPERSEDED REQUIREMENTS" notice.

## **UL 542**

### **Standard for Fluorescent Lamp Starters**

The First through Eighth editions were titled the “Standard for Lampholders, Starters, and Starter Holders for Fluorescent Lamps.”

First Edition – September, 1958  
Second Edition – March, 1966  
Third Edition – October, 1969  
Fourth Edition – June, 1974  
Fifth Edition – April, 1979  
Sixth Edition – May, 1985  
Seventh Edition – September, 1994  
Eighth Edition – November, 1999

### **Ninth Edition**

**July 11, 2005**

This ANSI/UL Standard for Safety consists of the Ninth Edition including revisions through November 12, 2009.

The most recent designation of ANSI/UL 542 as a Reaffirmed American National Standard (ANS) occurred on November 12, 2009. ANSI approval for a standard does not include the Cover Page, Transmittal Pages, Title Page, or effective date information.

The Department of Defense (DoD) has adopted UL 542 on April 26, 1984. The publication of revised pages or a new edition of this Standard will not invalidate the DoD adoption.

Comments or proposals for revisions on any part of the Standard may be submitted to UL at any time. Proposals should be submitted via a Proposal Request in UL's On-Line Collaborative Standards Development System (CSDS) at <http://csds.ul.com>.

UL's Standards for Safety are copyrighted by UL. Neither a printed nor electronic copy of a Standard should be altered in any way. All of UL's Standards and all copyrights, ownerships, and rights regarding those Standards shall remain the sole and exclusive property of UL.
