

Subject 96A

October 18, 2018

SUMMARY OF TOPICS

The following topics for the Standard for Installation Requirements for Lightning Protection Systems, UL 96A, are being recirculated:

1. Revise UL 96A to Include Class III Components

COMMENTS DUE: November 1, 2018

For your convenience in review, proposed additions to the previously proposed requirements dated August 20, 2018 are shown underlined and proposed deletions are shown ~~lined-out~~.

1. Revise UL 96A to Include Class III Components

Responses to comments have been posted within the UL 96A Proposal Review Work Area opened August 20, 2018. No changes have been made to the previously proposed revision. Note that the purpose of a recirculation of comments only is intended solely to provide STP members the opportunity to review the comments and responses, and to either reconsider their vote or cast a first-time vote. New comments on the previously proposed revision for this Topic will not be provided with a specific response. Any additionally desired changes should be submitted as a new proposal request via CSDS.
