SUBJECT 2276

OUTLINE OF INVESTIGATION
FOR
RECREATIONAL VEHICLE CABLE

Issue Number: 2

May 27, 2011

Summary of Topics

This outline is being issued to update the standards reference and to bring the requirements in alignment with the most current version of ANSI/RVIA 12V, the Standard for Low Voltage Systems in Conversion and Recreational Vehicles for recreational vehicle cable.

The effective date for this issue is August 1, 2013. See the previous issue for the current requirements until the effective date is met.
