This bulletin announces the availability of the Outline of Investigation for Sustainability for Digital Cameras, UL 2810

Underwriters Laboratories Inc. has issued an Outline of Investigation for Sustainability for Digital Cameras. The outline covers the establishing of multiple attribute sustainability criteria for digital cameras, including the packaging and all components shipped in the box with the digital camera. Separate requirements for the digital camera, external power supply, stand-alone battery chargers, cables and other accessories shipped in the box are included.

Manufacturers interested in submitting equipment for certification should contact UL Environment at 888-485-4733 or Environment@ul.com.

The UL 2810 Outline is available for purchase from COMM-2000 at 151 Eastern Ave, Bensenville, IL 60106, by phone in the USA and Canada: 1-888-853-3503, by fax in the USA and Canada: 1-888-853-3512, by phone from other countries: INT+1 415-352-2168, by fax from other countries: INT+1 630-932-7387, or from COMM-2000 on-line at <http://www.comm-2000.com>.
